

SAS DRAMA CLUB

2018/2019 Season

Volunteer Form

Each Drama Club Family is required to volunteer at least five (5) hours **per production** their child is participating in. Two (2) of those hours must be used as rehearsal monitor and also on show days. One easy way to get your time in, if you are dropping your child off on the 1st scheduled rehearsal on a Saturday, is to come in and help set up the stage, sets, paints, etc... and/or when you are picking your child up on the last scheduled rehearsal on Sunday evenings to help break down all the sets and supplies so that the gymnasium will be cleared for school the next day. When we get enough volunteers, it takes no time at all, and you are consistently adding up your volunteer hours. (Remember to sign in when doing so). Remember it takes an enormous amount of time and people to put on a production.
