

Dear Saint Ann School Families,

This year for Catholic School Week’s service project, we continue to support tribal schools in the Philippines. These two tribal schools are in the villages called Kitorok and Ilian, deep into the mountain range of Santa Maria, Davao del Sur among the Tagakaolo tribal people, two hours by car from the nearest town.

For the past few years, we have been donating school supplies and based on their current needs, we are including toothbrushes/toothpaste this year to further promote oral hygiene among the school kids and help prevent diseases or illnesses caused by improper oral care.

All of our donations travel thousands of miles across the world to reach hundreds of tribal school students. Let’s make a difference for these kids’ school life again! Nothing fancy, just the basics. Please send in your donation in no later than **Monday, January 28th, 2019.**
