

After School Embroidery Club Spring 2021

Dear Parents and Guardians,

Saint Ann School is offering an after school embroidery club this spring. The club is offered to any 7th graders interested. The students will be learning various hand stitches, how to create and follow a modern pattern, and use of specific embroidery tools. Cost of club will include a travel thread kit with tools, embroidery hoop, fabrics, and 3-5 patterns would be \$25 in cash or payable to SAS PTA. The max number of participants for the club will be 10 students. Students must bring their own snack/water. Since there are limited spaces, this club is a "first come, first served" basis.

Due to Covid- 19, the embroidery club will take place in the computer lab from 2:30-3:45pm on Mondays. Students will be separated based on school safety regulations, sanitation will take place before and after the club with the use of the Victory Sprayer. This ensures ALL of the students' spaces are disinfected efficiently.

We will be starting the sewing club Monday, February 8, 2021 and ending on March 29, 2021 (8 sessions in all). Please fill out the attached form fully with all the information needed and return this directly to Ms. Shields ASAP. If the Embroidery Club is cancelled, we will notify your child at school or call you directly. I am looking forward to teaching your child some new skills or learning a new hobby!

Thank you,

Ms. Shields
