

# 2022/2023 Planned Fundraisers

---

At St. Ann School, we rely on the success of our fundraisers to provide our students with many extra learning opportunities, school improvements, teacher resources, extra-curricular activities, out of school events, and more! All St. Ann School families are required to meet a fundraising commitment of \$125/year.

We offer a plethora of fundraising opportunities, so there is something for everyone. Please do not feel that you must participate in all fundraisers. The first half of the year has more fundraisers, so we will have the funds to provide the various resources throughout the school year. We will advertise fundraisers through the School Facebook Page, the PTA Instagram account, the PTA Page on the School website, the bi-weekly PIE, and through e-mail and text reminders.

Here is a list of the fundraisers we plan to run this year. Please keep in mind that dates and financial commitment amounts may change when the time gets closer. If you have any questions regarding our fundraisers, please contact our PTA Fundraising Chairs: **Christine Savela- clage22@gmail.com** or (603) 930-2023 or **Jessica Coe-ransonj2@gmail.com** or (609) 439-7625
