

**Registration process**  
**Important dates & information**

The Notre Dame Application is now live on our website. I wanted to share the deadlines with you, as well as some additional information.

**November 17:** Application due

**November 18:** High School Placement Test at Notre Dame

**December 1:** Financial Aid Application due

**December 22:** Decision Notification

**February 1:** Welcome Night and Registration due

Notre Dame offers limited merit scholarships and we would like every applicant to be considered. One application pool allows this to happen. Additionally, many of our applications begin receiving decisions from other high schools in November, so we need the fall to be our primary application season. We will accept applications in the winter, depending on availability.
